

_____'S PLAYBOOK

Logic will take you **from A to B**, but
imagination will take you **anywhere**.

A. Einstein

INTRODUCTION

Utopia is a state of mind not a place to be. We can't change the world, but we can change our perspectives. Look around. There are so many things you don't notice, but does it mean they don't exist? Make every day meaningful, create your own world where you can be anything you like, PLAY GAMES.
